No Child Left Behind Act Annual Report Card 2010-2011

Academic Performance Index (API) and Accountability Data

The API is a numeric score that measures school and district performance based on a variety of educational indicators. It allows schools and districts to gauge their progress toward improving student achievement. Components of the API are used to meet reporting requirements in the *No Child Left Behind Act* (Public Law 107-110).

BOKOSHE HS did not receive a Total API for regular education students because of small student numbers.

The scale for API scores ranges from 0-1500 with 1138 as the current state average for regular education students.

***No Child Left Behind Act* Statewide Performance Benchmarks for 2010-2011:**
Mathematics API - 1074 Reading API - 1060
Percent of Students Tested - 95%
Attendance Rate API - 618
Graduation Rate API - 842

Total Graduation 2010:		(100.0%)
***Graduation 4 year 2010:**	1502	(100.0%)
Attendance:	0	(86.2%)

Attendance is used for the additional indicator in AYP determinations for elementary and middle schools.

*Graduation rate for students who graduated in the standard number of years and used as the additional indicator in AYP determinations for high schools and districts.

For Adequate Yearly Progress (AYP) determinations, each student group is required to meet or exceed the Performance Targets (excluding Male, Female and Migrant groups) for 2010-2011.
Student Groups must have at least 30 students per subject to receive a math or reading API score.
Percent of Students Tested is calculated only for student enrollment of at least 40 students per subject and subgroup at time of test administration.

Oklahoma Core Curriculum Tests

The Oklahoma Core Curriculum Tests measure mastery of students' skills on the *Priority Academic Student Skills (PASS)*. Individual test scores for each student as well as detailed group summary reports are sent back to the schools, providing valuable data for administrators and teachers to target program improvement, addressing individual student strengths and weaknesses, and providing parents with an idea of their child's accomplishments. Results below include all students (full academic year and non-full academic year).
